

Applications Engineer (Elevator)

Applications Engineer (Elevator)

Competitive Remuneration Package

OLEO International a trading division of TA Savery & Co Limited has an exciting opportunity for an experienced Application Engineer who possesses elevator engineering experience to join our Elevator Sales team based in Coventry.

As a business we are an award-winning business and a World leader in the design and manufacture of safety critical equipment used in a wide range of applications within the Rail, Elevator and Industrial sectors.

Purpose of the Role:

Reporting to the Business Development Manager of the division you will be supporting the Elevator Sales Team in order to provide technical advice and assistance on all OLEO elevator products and services.

Applications Engineer Key Accountabilities:

- Provide application engineering expertise for elevator buffers, supporting general engineering consultancy, daily sales business activities, and strong interface to quality, manufacturing and engineering team.
- Prepare and deliver presentations for internal / external staff and customers.
- Liaise with PED, test engineers and other departments if / when necessary to improve or ensure new products are clearly defined.
- Identify new product requirements and opportunities.
- Understand Elevator standards and support the engineering department in developing global certification requirements.
- Manage customer approval processes.
- Support territory-based sales team world-wide and local technical support personnel at other Oleo facilities.
- Provide product and applications training to customer engineering staff to promote OLEO technical differentiation & capabilities.

Applications Engineer Key Requirements:

- Hold a degree qualification ideally in Mechanical Engineering, Lift Engineering or similar.
- Possess elevator design engineering experience.

- Ability to provide technical advice and support surrounding elevator systems / mechanisms.
- Experience in the use of 3D CAD packages, preferably SolidWorks.
- Possess strong customer interfacing skills and experience with a proven ability to prepare and deliver technical presentations.
- Conversant in the use of Microsoft Office.
- OLEO International is an equal opportunities Employer.

If you are interested in applying for the above position please email your CV to:
